## A FIVE-DAY IMMERSION EXPERIENCE OF JESUS CHRIST/ CHRIST CONSCIOUSNESS

Thursday, August 8th - Tuesday, August 13<sup>th</sup>, 2024

What does it mean to have a personal relationship with  
Jesus Christ?

Are you intrigued or repulsed?

What does it mean to be imbued with Christ  
Consciousness?

Is there a difference? Jesus Christ/Christ consciousness?

Join us for five full days as we take a deep dive into our individual  
and collective Christ Image.

We will create a gentle, supportive container in which all views are  
welcomed as we probe, contemplate and challenge our early  
imprints, religious and societal distortions so that we each  
approach a grounded personal knowing that serves and supports  
our individual growth.

Framing the work through healthy faith,  
healthy doubt and borrowing from the God  
Image process, we will:

- Evaluate the Guide's teachings on who  
Jesus was.
- Unlearn, relearn and strengthen  
understanding and beliefs
- Engage in Christ-based spiritual practices  
that provide guidance and inspiration for  
daily living

We will move together, pray together, probably  
cry, definitely laugh, as we meditate, engage in  
Pathwork process work, take in new knowings  
and let go of some old.

The intention is that each participant leaves the  
experience knowing what he or she thinks and  
feels toward this particular aspect of Spirit and  
how that knowing can be used as a role model  
and/or resource that expands and enriches his  
or her daily life.
