Unlocking Pleasure
with
Madeline Dietrich
Canada Pathwork, Ottawa

In this retreat, we will work with the Guide's teachings on pleasure as our birthright; the healing balm we need; and the natural state of our being, which we organically embody as we transform negativity. We will tap into the levels of mind, soma, and spirit, using the Master Key of pleasure to unlock the deep spiritual significance of pleasure.

**Honoring Your
Soul's Agenda**
with
Brian O'Donnell
Great Lakes Pathwork

The theme of this particular retreat will be your life and creation and what most needs your dedicated attention and focus. What issue(s) are ripe for a deep dive? We will spend a rich week of process work in an intimate container of committed Pathworkers exploring what needs to be released that no longer serves and what needs to be birthed.

Enjoy an expanded community of fellow Pathworkers during meals and while exploring the beauty of Pendle Hill.

We are excited to offer these programs and have you be part of the 2020 Summer Institute!!

"Each day I was gifted with other people's journeys to enrich my own work. I will be back to Summer Institute."
